Explanation Of How To Earn The Boy Scout Recruitment Patch:

1. A Boy Scout will earn the 1st part (top section) of the patch when he recruits 1 new boy into Boy Scouts.
2. The same Boy will earn the 2nd part (bottom section) of the patch when he recruits the second Boy into Boy Scouts.
3. This form can be submitted at different times for each part of the patch. There is no need to wait for both sections!

This "2 part patch" is designed to encourage every Boy Scout to recruit 2 friends into the program over a period of time. The patch will be available for at least 3 years. Therefore, he can earn the 2 sections, in the time frame that he desires. However, the patch must be earned in the correct order (top section first-- bottom section second). Of course, if a Boy Scout recruits 2 Boys, at the same time, he will instantly receive both parts of the patch, upon submission of this form and the 2 applications.

This form, along with the new boy (s) application(s), will need to be submitted to one of the service centers (Dallas or Fairview). This form and application(s) may also be submitted to your District Executive.

Remember, do not wait! You can receive the top part of the patch as soon as 1 new boy is recruited!

*A new boy is defined as a "Boy Scout Aged Boy" that is not currently registered with the Boy Scouts of America.
